Provide accessible, efficient, and patient focused medical care while empowering franchise partners to build successful healthcare businesses.

2 Why Join Gateway Healthcare

Entering the healthcare industry can be complex. Gateway Healthcare provides a structured system designed to support entrepreneurs and investors entering the growing urgent care market.

3 Different Models Available

Gateway offers several different franchise types: Gateway Urgent Care, Passage Primary Care, Slim Now Medical Weight Loss, Combination Models

About Gateway Healthcare

Gateway Healthcare is a growing healthcare organization focused on delivering fast, convenient, and high quality medical care to communities that need accessible healthcare services.

Founded by healthcare entrepreneur Seth Weathersby, Gateway Healthcare was created to bridge the gap between traditional primary care and hospital emergency rooms by offering efficient outpatient medical services in modern clinic settings.

WHAT MAKES GATEWAY HEALTHCARE DIFFERENT?

- Different model types offer unique and versatile opportunities
- Patient first care model focused on fast service and compassionate treatment
- Convenient community based clinic locations designed for easy access
- Evidence based medical care supported by clinical standards and compliance
- Streamlined operational systems that support efficiency and consistency
- Standardized workflows that help clinics operate smoothly and effectively
- Scalable healthcare model designed for multi-location growth
- Collaborative franchise culture that values partner input and continuous improvement

MODELS AVAILABLE

To fulfill the needs of an expanding industry, Gateway offers several different franchise types:

- Gateway Urgent Care: clinics that treat urgent but non-life threatening conditions in a professional outpatient medical setting
- Passage Primary Care: progressive medicine and compassionate primary medical care facilities
- Slim Now Medical Weight Loss: medical facilities with a focus on healthy weight loss
- Combination Models that include both the Urgent Care and Primary Care models or the Primary Care and Weight Loss models

KEY ADVANTAGES INCLUDE

- Opportunity to operate in one of the fastest growing healthcare sectors
- Structured operational systems developed through real world healthcare experience
- Protected territory opportunities to support market growth
- Established clinic model designed for scalability and efficiency
- Ability to make a meaningful impact by improving healthcare access in your community
- Franchise support designed to guide owners from development through daily operations

TRAINING AND SUPPORT

Gateway Healthcare provides comprehensive training to prepare franchise owners to confidently operate their clinics.

TRAINING PROGRAM HIGHLIGHTS

Classroom training covering operational procedures and clinic management

- Hands on training at the franchisor location
- Instruction on billing, compliance, marketing, and clinic workflows
- Guidance on best practices for patient experience and operational efficiency

TRAINING BREAKDOWN

Training Category	Hours
Classroom Training	24 Hours
On the Job Training	56 Hours
Total Training Program	80 Hours

Training typically takes place over approximately ten days and combines virtual learning with real world clinic experience.

INDUSTRY TRENDS DRIVING DEMAND

- Patients want faster access to care without emergency room wait times
- Urgent care clinics reduce healthcare system costs
- Growing demand for convenient outpatient medical services
- Increasing preference for walk in healthcare options
- Continued expansion of retail healthcare models across the United States

This shift creates significant opportunities for entrepreneurs entering the urgent care space.
